# AFO 496 – Financial summary

496.1 Introduction

The system can produce financial summaries. For this you must first define a profile in AFO 494 – Cash desk management – Cash desk list profiles.

You also must ensure the summaries are up-to-date, via AFO 493. When you omit to do this, the system will show the following warning when starting AFO 496:

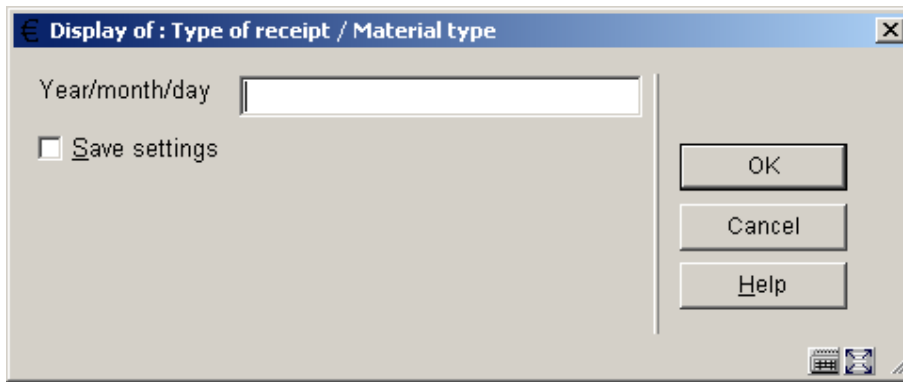

496.2 Generate financial summary

After choosing this option the following form will be displayed:

Enter a valid profile, as defined in AFO 494.
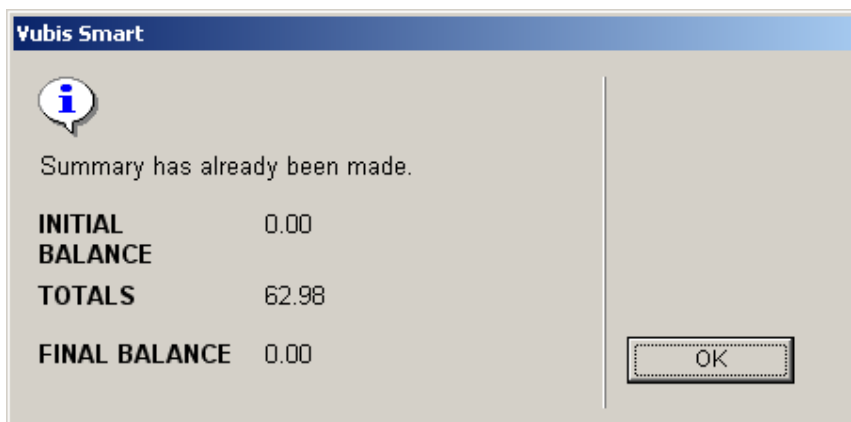

Next you must enter a period:

this must be done by specifying a beginning and end date, like:

2006/03/01-2006/03/17

Then the standard form for generating output is displayed.

When you try to generate the same summary twice., the following warning is displayed:

But by confirming the next screen, you can generate the summary again:

Vubis Smart

Delete old summary and generate new ?

OK
